THE OFFICIAL NEWSLETTER OF ROLLING RIVER DAY CAMP

WHITE AIR FORCE

VS

BLUE MARINES

Last Friday, Blue Marines & White Air Force leaders stormed the field for a fierce Boot Camp battle. After, they split the blue & white camp flag to signify the start of our 27th Color War. Throughout the week, each team showed its spirit in activities like tug-of-war, Bucket Brigade, Rope Burn, Penny Pickup in the pool, & Apache Relays. Each division also participated in special Color War competitions like Skipper SpotShot and a Navigator talent show and game show. Special activities & trips continued this week, too. On Monday night, we applauded our Navigators for their performance of "The Greatest Show Revue"! On Tuesday, CITs visited the Ronald McDonald House to bake treats during their annual Community Service trip & 1st grade girls balanced at 5 Star Gymnastics. On Wednesday, Navigators enjoyed a day at the beach while 1st & 2nd graders were treated to a special bowling trip. Kindergarteners also bounced around with friends at The Little Gym.

As we go to press, the Color War winner is still unknown as Color War Sing took place late this afternoon. Good luck to both teams!!! Check your e-Scuttle and our Facebook page to find out the winner - who will claim the trophy to win Rolling River's 2019 Color War Competition?!

Next week, RRDC campers and staff reunite for our last four days. We can't believe the end is quickly approaching. We miss you already!

Special End-of-Summer Events Next Week!

We'll be "sail-a-brating" an amazing summer with our annual Wishing Well ceremonies, Navigator off-campus party, a special Balloon Show, and a NEW on-campus HIP HOP DAY with a DJ and dancing.

SKIPPER SCOOP: Blue & White Skipper groups threw as many balls as they could to end with the least amount during a Skipper Clean-Up event.

MARINER MESSAGES: Mariners swam to the bottom of the pool to pick up as many coins as they could to win points for their Color War team.

NAVIGATOR NOTES: Navigators completed different tasks during the Apache Relay, like hula hooping several times without stopping.

Happy Birthday Campers!

Fun Focus: Navigator Division - 7th & 8th Graders

The Navigators made incredible memories all summer long! B14 Orcas loved playing sports like basketball and soccer, going on trips to Brownstone Park, Mountain Creek & Boston, and playing games in the computer room and the Wii Room. G14 Jewelfish had a blast during all the Color War activities this week, from the Apache Relays to Bucket Brigade & Rope Burn to today's Color War Sing. They also enjoyed performing for their families and friends at the Navigator Show and cooling off in the pool and on the river at Boating. Next week, we'll feature the 9th and 10th grade CITs. Don't forget to check the camp app or log in online to view all the great photos from this summer!
