THE CAPTAIN'S QUARTERS

Ahoy Mateys! On Monday, we welcomed our Half Season 2 campers with open arms - we are so happy to "sea" you here at camp & share our adventures with you! The excitement continued when CITs bounced around on the trampolines at SkyZone. On Tuesday, the Navigators enjoyed a perfect summer day playing on the awesome rides, games, & go-karts at Country Fair. On Wednesday, we all smiled for Picture Day 2. On Thursday, 5th Grade Girls bowled lucky strikes and spares at RVC Lanes while 5th Grade Boys balanced at 5 Star Gymnastics before being treated to Ralph's Ices in Oceanside as a reward for winning last Friday's Alien Scavenger Hunt during our Mission Space special event. Also on Thursday, the 6th, 7th, and 8th Grade Boys took over Strikeforce Sports for an indoor sports adventure while 6th, 7th, and 8th Grade Girls had a blast at Monster Mini-Golf. Today, we arrived at the RIVA ready for fierce competitions as camp was transformed into the Rolling River Derby! Ask your camper about the rubber duckie (Skippers, 1st & 2nd Grades) and horse races (3rd-8th grade)! We can't wait to see what Monday will bring! Who's ready for a JUNGLE ADVENTURE POOL PARTY?!

Camp Division Updates

SKIPPERS

Captain Kids is a favorite spot of our youngest campers! Skippers love this air-conditioned imagination station, which offers early childhood-related play areas including a hospital, market, post office, school, and workshop.

MARINERS

The Mariners have been working hard at Drama to rehearse their shows for you, learning lines, singing songs, and practicing their dance moves. They can't wait to share their performances with you!

NAVIGATORS

This is Cody Rodriguez's (B14) 6th summer at Rolling River. He loves going on all the Navigator trips, and his favorite so far was Splish Splash. Cody is looking forward to the Apache Relay, and hopes his team wins Color War 2021!

CHARTING THE CITS

Juliet Callanan is having a great summer as the N3 Guppies CIT! Juliet loves playing on all the playgrounds with our youngest campers, taking rides on the RIVA during Boating, and swimming in the pool with the Guppies too. Juliet is getting great hands-on experience learning how to take care of young children, and she is looking forward to next week's trip to Brownstone Park, and her favorite Color War activity - Tug of War!

SPECIALIST SCOOP

Featured Activity: Ceramics/Woodworking

Each week, campers switch off between completing projects at either Ceramics or Woodworking. Over the past two weeks at Woodworking, Skippers created either a ring toss game or a wooden heart hair clip holder, while Mariners made popsicle stick banks, jewelry hands, or wooden mirrors tie-dyed with water color and decorated with jewels, and Navigators designed jewelry boxes or trays, firefly catchers, bird feeders, or toolboxes. At Ceramics, campers picked out their favorite character or symbol to paint, such as peace signs, Ninja Turtles, Trolls or Spiderman. Some campers designed beautiful polka dot bowls, too.
