THE CAPTAIN'S QUARTERS

Ahoy Mateys! On Monday, the Navigators were treated to an afternoon at the movies to escape the rain, and we began tie-dyeing our t-shirts at Arts & Crafts. We took over the fields and courts for Intramurals, too. On Tuesday, the Navigators enjoyed a perfect summer day playing on the awesome rides at Rye Playland and the Skippers, 1st and 2nd graders were treated to a special on-campus Face Painting show. On Wednesday, the CITs visited Graff Lab to design their own graffiti art, & we hugged our Half Season 1 friends goodbye. On Thursday, we welcomed our Half Season 2 campers with open arms - we are so happy to "sea" you at camp & share our adventures with you! Also on Thursday, 5th Graders balanced at Gymnastics while the 6th, 7th, and 8th Grade Boys took over Puzzle Break LI for an indoor adventure and 6th, 7th, and 8th Grade Girls reeled in a great time on their fishing trip before being treated to Ralph's Ices for Song & Plaque Day awards. Today, we arrived at the RIVA ready for the BEST day of the summer - CARNIVAL! From water rides to a visit from the Kona Ices truck, an amazing time was had by all! Ask your camper what they loved about Carnival!

Camp Division Updates

SKIPPERS

Captain Kids is a favorite spot of our youngest campers! Skippers love this air-conditioned imagination station, which offers early childhood-related play areas including a hospital, market, post office, school, and workshop.

MARINERS

The Mariners love playing "The Floor Is Lava" at Tumbling Tides, where they tumble, jump, and bounce to complete an obstacle course without touching the floor. Ask your Mariner to set up a course for you to play at home!

NAVIGATORS

This is Skyla Santoro's 1st summer at camp & she loves being in G13! Skyla is having fun learning new games and meeting new friends, too. Skyla loved Adventureland & Mountain Creek. Her camp faves include Loading Dock & Beach Volleyball.

CHARTING THE CITs

Catalina Merchan is having a great summer as the G5 Scallops CIT! Catalina loves playing with her 2nd graders because they have so much fun and they have lots of positive energy. This is Catalina's second summer as a CIT, and she is getting great hands-on experience learning how to take care of young children. Catalina is looking forward to traveling to Dorney Park on August 9th with the rest of the CITs and the Navigators!
